Continuation of Substance of Interview including description of the general nature of what was discussed:

A call was placed to Mr. McCollister in February to inform him that the address information in the case was no longer valid. There was no official "change of address" on file, and the post office returned the final office action to the patent office due to the insufficient address. A follow-up call was placed on April 13, 2006, informing Mr. McCollister that no "change of address" had yet been filed, and that the case was now abandoned.
